Government Relations, Insurance and Legal Advocacy - The profession's leadership organization serves as an aggressive advocate for the chiropractic profession and their patients. ACA seeks open access to and utilization of safe, effective, affordable, natural chiropractic care for all through full integration of doctors of chiropractic into the health delivery system. ACA accomplishes this by devoting a substantial part of its resources to issues that affect public policy and legislation, by seeking parity in reimbursement of its members from insurance companies and improving the quality of patient treatment and by carrying out a dynamic strategic plan to help ensure the professional growth and success of doctors of chiropractic. Fundraising costs associated with raising funds for the legal action fund and CHAMP are included in this category.

4b (Code) (Expenses \$ including grants of \$) (Revenue \$)
Membership Services & Products - ACA devotes a significant portion of its resources to serving its existing members. Services specifically designed as member benefits include a variety of discounts on affinity products, books, brochures and pamphlets for sale that are designed to improve practice management, clinical documentation and information on various professional development and educational seminars for continuing professional education. The costs of retaining members are included in this program.

4c (Code) (Expenses \$ including grants of \$) (Revenue \$)
Publications - The Journal of the American Chiropractic Association (on-line only), ACA News, Week in Review and other newsletters published by various ACA councils provide valuable information about ACA's activities and new developments in the field of research, continuing education and reimbursement issues.
