FORM 990, SCHEDULE A PART V, QUESTION 31

American Pacific University (APU) has not published its nondiscrimination policy in a newspaper of general circulation serving the racial segments of the community because of the correspondence nature of the institution and the wide geographic disbursement of APU's current and prospective student body.

Under Rev. Proc 75-50, 1975-2 C.C. 587, Section 4, Subsection .03.2(b), "If a school customarily draws a substantial percentage of its students nationwide or worldwide or from a large geographic section or sections of the United States and follows a racially nondiscriminatory policy as to students, the publicity requirement may be satisfied by complying with Section 4.02, supra. Such a school may demonstrate that it follows a racially nondiscriminatory policy within the meaning of the preceding sentence either by showing that it currently enrolls students of racial minority groups in meaningful numbers or, when minority students are not enrolled in meaningful numbers, that its promotional activities and recruiting efforts in each geographic area were reasonably designed to inform students of all racial segments in the general communities within the area of the availability of the school."
